words and music: Susan Loomis

*Ten ways to be happy  
Ten ways to be happy –  
Moses got the commandments on a  
mountain  
But if he came today  
Brother Moses might be on your TV  
And here's what he would say*

*God gives us  
Ten ways to be happy  
Ten ways to be happy*

*Have no other gods but me  
First way to be happy.*

*Ten ways to be happy  
Ten ways to be happy*

*Don't worship any images  
Don't make things your god  
God won't share you he knows you're  
His  
He'll show you all his love*

*'Cause there are  
Ten ways to be happy  
Third way to be happy*

*Love God's name and use it carefully  
Ten ways to be happy*

*Ten ways to be happy  
Fourth way to be happy*

*Make a time that's pure and quiet  
A time when you can pray  
Do it every week on Sunday  
Or do it every day.*

*Ten ways to be happy  
Ten ways to be happy*

*Love your mother, Love your father  
It's the fifth way to be happy*

*Ten ways to be happy  
Ten ways to be happy*

*Remember these, the last five are easy  
Don't kill, don't steal, don't lie  
Be true and faithful to the one that you  
love  
Don't want or covet what you see with  
your eyes*

*Ten ways to be happy  
Ten ways to be happy*

*Love everyone and treat them right  
Love God with all your might*

*Ten ways to be happy  
Ten ways to be happy*
