

# How Do You Know God is Love?

Edited/Arranged by The Solo Committee

words: Sue Loomis  
music: Carey Loomis

*Can you see God's love high in the sky?  
Can you hear God's love whistling by?  
Can you feel God's love when you stop and try?  
How do you know God is Love?*

*See the stars shimmering high.  
Hear the wind as it softly sighs.  
Feel the warmth enfolding you.  
Show me God is Love.*

*See, hear, feel, know  
God is always with me.  
And wherever I go  
God is guarding me, guiding me, loving me.*

*What do you see when your dad looks at you?  
What do you hear when your friends pull you thru?  
What do you feel when your mother holds you?  
How do you know God is Love?*

*See the smile on my father's face.  
Hear the cheers when I run the race.  
Feel the love of my Mom's embrace.  
Show me God is Love.*

*See, hear, feel, know  
God is always with me.  
And wherever I go  
God is guarding me, guiding me, loving me.*

*God is guarding you*

*God is guiding you*

*God is loving you*
