

I Will Comfort You

Edited/Arranged by The Solo Committee

Words/Music: Susan Mack

I have laid the foundations of the earth.
It cannot be removed.
I send forth My spirit; I create.
The face of the earth is renewed.

Chorus:

I will comfort you.
I will comfort you.
Like a flowing stream, a river of peace,
I will comfort you!

My hands stretch out the heavens.
I make the earth and man.
In wisdom I make them all,
My thoughts at My command.

Chorus

As one whom his mother comforts,
I love and hold you dear.
You are always safe in Love.
There is no cause for fear.
